

Slade Munsami

Front-End Developer

Kyalami, Gauteng, South Africa • 📞 066-034-0606 • ✉️ slademunsami@yahoo.com • 🌐 • [Portfolio](#) • [GitHub](#) • [LinkedIn](#)

Professional Summary

Junior Front-End / Web Developer with a strong technical foundation built through hands-on experience in enterprise technology environments and self-driven web development projects. Skilled in HTML5, CSS3, responsive web design, and modern development tooling including Git, GitHub, and VS Code. Brings over 7 years of experience troubleshooting systems, configuring devices, and solving technical problems in high-volume telecom and Apple ecosystems. Actively expanding JavaScript skills and building production-ready web applications with a strong focus on clean code, usability, and continuous learning.

Technical Skills

HTML5 (Semantic Markup) | CSS3 (Flexbox, Grid, Media Queries) | Responsive Web Design | Basic JavaScript (DOM manipulation, event handling) | Web Accessibility (Foundational ARIA) | Git | GitHub | GitHub Desktop | VS Code | Browser DevTools | GitHub Pages | Windows | macOS | iOS | Android
